

The Hubble Atlas of galaxies

100 €

Author	**Allan Sandage**
Year	**1961**
Book language	**English**
Condition	**Good**

Star Atlases & Charts

DESCRIPTION

Sandage, Allan; Edwin Hubble. THE HUBBLE ATLAS OF GALAXIES. Washington, DC: Carnegie Institution of Washington. Reprint of 1983. It is inspired by Hubble's notes and his own research on galaxy morphology to revise Hubble's classification scheme. Excellent, a copy without markings.
